EDUCATION

KIT - Kalaignarkarunanidhi Institute of Technology, Coimbatore 2023 – 2027
B.Tech. Information Technology , Pre-Final year Current **CGPA: 8.23/10.0**

Sri Sathya Sai Matric Higher Secondary School, Krishnagiri 2022-2023
Higher Secondary Percentage: **86 %**

Sri Sathya Sai Matric Higher Secondary School, Krishnagiri 2020-2021
SSLC Percentage:**75% (All Pass)**

INTERNSHIP

Full Stack Development Intern | LearnLogicify Technologies **June 2025**
• Completed a 4-week internship with hands-on experience in HTML, CSS, JavaScript, and Bootstrap.
• Developed weekly mini-projects, including a To-Do App and Portfolio Website, following responsive design principles.
• Gained practical experience with Git for version control and hosted projects on GitHub

PROJECTS

Event Management System | MERN Stack (Current)

• Built an event management platform with event registration, scheduling, and payment processing features.
• Added real-time updates to enhance user experience and improve event coordination.
• Automated key workflows to increase registration efficiency and reduce manual work.

Farm Fresh | Frontend Project

• Designed a responsive web interface for browsing fresh farm products with an intuitive category-based layout.
• Built reusable UI components using React to ensure scalability and consistent design across pages.
• Implemented smooth navigation, product listing pages, and interactive elements to enhance overall user experience.

TECHNICAL SKILLS

Java	JavaScript	Git	Node.js	SQL
HTML	CSS	React.js	MongoDB	Express.js
OOP	DSA	GitHub		

CERTIFICATIONS & COURSES

Java Foundation — Infosys Springboard	**|** 2024
HTML & CSS — Infosys Springboard	|2024
Computer Networks and Internet protocol — NPTEL	|2025

COMPETITIVE PROGRAMMING

Leetcode : Max rating - **1460 |** Solved problems: **180+ |** Badges : **4**

Codechef : Max rating - **1449 |** Solved problems: **550+ |** Badges: **3|** Division : **3**

Across platforms: 800+ problems solved | 90+ contest participations

ACHIEVEMENTS

- Solved **800+ DSA and CP problems** across coding platforms.
- Earned the **LeetCode 100 Days Badge – 2025** for consistent practice.
- Completed a **100-day streak on CodeChef** and secured the **Diamond Badge.**
- Participated in **90+ rated competitive programming contests.**
- Completed a **24-hour college coding hackathon** and also participated in an **8-hour coding hackathon**, showcasing quick problem-solving skills.
- Participated in a **36-hour hackathon**, and our team was selected among the **Top 100 out of 300 teams** conducted by our college.
